In the name of player development, U7-U10 boys will now have the opportunity to train and compete beneath one banner at Meyer Park. DTH and TSC are excited to announce this new partnership to provide the best youth development program in South Texas.

What is the Junior Academy program? The **Texan Junior Academy** has been designed to create a love for the game of soccer in the early stages of a player's development. The emphasis will be on developing basic ball skills, utilizing soccer instincts, and emphasizing creativity through technical training and small sided games.

PDF League (Player Development Friendlies) All U-9 and U-10 players who are registered with any recreational program have the opportunity to play in the PDF Academy League. Games will take place on Sunday at different locations throughout Houston in a low-pressure, fun environment against academy teams in other areas of Houston.
